## without Handling (or Buying) Chlorine

**A NEW STANDARD IN CHLORINE GENERATOR TECHNOLOGY  
PERFECT FOR HOTEL/MOTEL POOLS**

The Intellichlore chlorine generator uses common table salt to produce all the chlorine your pool needs, right in your pool—safely, effectively, and automatically. It is the easiest, most effective way to keep pool water sparkling clean and it eliminates the need to buy, transport and store expensive chlorine compounds.

### Benefits

- Same sanitation performance as manual chlorine addition without the drawbacks of liquid or granular chlorine.
- No need to buy or store expensive chlorine compounds
- No more odor, stinging eyes, irritated skin and bleached out swimsuits.

### Pricing

- For pools up to 20,000 Gallons—\$2,195
- For pool between 20,000 and 40,000—\$2,995
- Pricing includes pool assessment, installation and initial infusion of Salt to bring the water quality up to health department standards.
